

MINDSHARE USA – AUDIO REQUEST FOR PROPOSAL

Client: Volt Energy Drinks

Campaign: "Charge the Season" Q4 Holiday Push

Issued: September 28, 2026

Proposals due: Friday, October 9, 2026 by 5:00 PM ET

1. CONTACTS

Media Planner: Priya Shah (priya.shah@mindshareworld.com)

Associate Media Director: Marcus Lee

Please submit proposals to both contacts.

2. CAMPAIGN OVERVIEW

Volt Energy Drinks is launching a limited-edition holiday flavor and needs to drive trial through a trackable promo code (VOLTCHARGE) redeemable on volt.com and at participating retailers. Success will be measured primarily on promo code redemptions; secondary KPI is lift in aided brand awareness.

3. FLIGHT

Flight dates: October 19, 2026 – December 27, 2026 (10 weeks)

Heavy-up weeks: Thanksgiving week and the two weeks before Christmas.

4. BUDGET

Total gross budget: \$450,000 (inclusive of all production and talent fees)

Target CPM: \$22.00 net or better for streaming; podcast host-read packages will be evaluated on a flat-rate basis.

Impression goal: 18MM total impressions across all channels.

5. AUDIENCE

Primary: Adults 21-44, skew male 60/40

Secondary: College students and young professionals, HHI \$50K+

Interest targeting: sports fans, gamers, fitness enthusiasts, comedy listeners.

6. CHANNELS & FORMATS

- Podcast: host-read mid-rolls in sports and comedy shows (please include talent options)
 - Streaming audio: :30 spots with companion display banners
 - Satellite radio: live reads on sports talk channels during NFL and college football coverage
- Video and live events are out of scope for this RFP.

7. CREATIVE & RESTRICTIONS

- No placement adjacent to political, news, or true crime content.
- Host-read copy must be approved by client legal 5 business days before air.
- Talent may not mention competitor brands (Red Bull, Monster, Celsius).

8. DELIVERABLES

- Media plan by channel with weekly flighting
- Added-value proposal (bonus impressions, social amplification)
- Post-campaign report with promo code attribution within 30 days of flight end
